Dear Parents/Guardians:

Students enrolled in End of Course (EOC) subject(s) are required to be assessed by the State of Texas Assessments of Academic Readiness (STAAR) EOC test(s). This spring, students in North East Independent School District were administered the following EOC assessment(s): Algebra I, Biology, English I & II, & U.S. History. On May 30, electronic STAAR Report Cards will be available through the Texas Assessment Management System (TAMS) at http://www.TexasAssessment.com.

To access student results on TAMS, locate the purple rectangle and enter your child’s access code if you know it along with date of birth.

If you do not know your child’s access code, click on Find My Access Code at the bottom left of the rectangle on TAMS.

Next, you will fill in your child’s first name, Social Security number or state identification number and select GO located in the blue circle.

If your student failed an EOC exam, you will be contacted about summer options and/or retest schedule. STAAR EOC exams will be administered on the following dates: Monday, June 24 to Thursday, June 27.

If your student participated in the Texas English Language Proficiency Assessment System (TELPAS) test this spring the results are available through the Texas Assessment Management System (TAMS) at http://www.TexasAssessment.com on May 24 using the same process as outlined above.

Should you have any questions, please contact your child’s campus administration or school counselor.

Sincerely,

Dr. Donna Newman, Ed.D.
Associate Superintendent Instruction and Campus Administration
